

**RIVERSIDE COUNTY FLOOD  
CONTROL & WATER  
CONSERVATION DISTRICT**

# COMMUNITY MEETING

The Lakeview / Nuevo Community is invited to meet with the District to discuss the **Lakeview/Nuevo MDP Laterals D&E Storm Drain Project**.

The meeting will cover the following:

- Project objectives and benefits
- Plans to keep Waters Ave private
- Address community questions/concerns
- Next steps

**6:00 PM - 7:30 PM**

**April 18, 2024**

**29780 Lakeview Ave  
Nuevo, CA 92567**

For specific questions to the project,  
contact **Ryan Gosliga** at [rgosliga@rivco.org](mailto:rgosliga@rivco.org)

**RIVERSIDE COUNTY FLOOD CONTROL & WATER CONSERVATION DISTRICT**  
**Lakeview-Nuevo MDP Laterals D and E**  
 Supervisorial District 5

Project No.	4-8-00331-01
Engineer	H. YANG
Date Created	3/19/2024

- Legend**
- Lakeview-Nuevo MDP Laterals D and E
  - Existing Above Ground District Facilities
  - Existing Facilities Area

**Description**  
 This Districted project will eliminate the existing Federal Emergency Management Agency (FEMA) floodplain downstream of the existing Lakeview Dam by collecting flows from the dam's low-level outlet pipe and conveying the flows in approximately 1.75 miles of underground storm drain westerly along Water Avenue to the existing Nuevo Channel at Yucca Avenue and 11th Street. The project will also reduce flooding along Water Avenue by including a detention basin south of Water Avenue to capture and detain runoff and will include Lateral E along Bell Avenue which will reduce flooding along that street and to the community west of Bell Avenue. The District will be responsible for operation and maintenance of the storm drain and basin improvements.
